

Contact Donalsonville Fire Rescue **(229-524-2117)** and request a burn permit

Burn Permits do not cost any money

Burning without a permit may result in a fine.

### *You Can Burn*

- √ Any Natural Vegetation including: Sticks and Limbs, Grass Clippings, Pine straw, Leaves, Hay, Weeds, Garden Plots
- √ Inside of a purpose built burn ring, pit, cage, etc.

### *You Cannot Burn*

- X Manmade materials including: Plastics, Treated or Painted Lumber, Textiles, Furniture, etc.
- X Trash or Debris containing manmade materials
- X Household garbage
- X Any Flammable Liquids including: Any Gasoline, Diesel, Fuels, Oils, etc.
- X Cannot Burn inside of a 55-gallon drum.

*You are Responsible for the following at the time of permit approval:*

- √ Have access to a way to extinguish the fire. (water hose, fire extinguisher, etc.)
- √ All fires for disposal of vegetation are to be out at sunset the day the permit is issued.

### *Special Considerations*

- Grilling or a fire for cooking does not require a permit.
- Permits are issued according to weather conditions on a day to day basis.
- State Enacted Burn Bans by Georgia Forestry may restrict burn regulations further.
